

SCIENCE & RELIGION

Religion without science is blind. Science without religion is lame.

Albert Einstein

The creative impulse of the Word of God. [Logos Sophia]

In the beginning was the Word. The leaven.

Wisdom: She is to be preferred over jewels.

Krishna: How can we think of God when He has created our thought!

4 ways to discern truth.

Discoveries dreams and visions. Your young men will see visions.

Relativity and Einstein.

Quantum Mechanics. Uncertainty.

The mind of man.

The search for Unified Theories.

Love is the secret.

Light is an intellectual reality.

When religion, shorn of its superstitions, traditions and unintelligent dogmas shows its conformity with science, then there will be a great unifying, cleansing force in the world which will sweep before it all wars, disagreements, discords and struggles, and then will mankind be united in the power of the love of God.

`Abdu'l- Baha PT 146

All religions of the present day have fallen into superstitious practices, out of harmony alike with the true principles of the teaching they represent and with scientific discoveries

of the time.
